ALLEGIS GLOBAL SOLUTIONS HONORED AS BRONZE STEVIE® AWARD WINNER IN 2017 AMERICAN BUSINESS AWARDSSM

HANOVER, Md. – [Allegis Global Solutions](#) (AGS) was named the winner of a Bronze Stevie® Award in the New Service of the Year Business-to-Business category in The 15th Annual American Business AwardsSM for its [SIGMA MSP](#) offering.

SIGMA is AGS’s new contingent workforce management solution designed to support companies that traditionally rely on preferred supplier relationships or vendor-on-premise for candidate recruitment. Benefits for SIGMA clients include access to top talent, best practices, and AGS’s proven processes that control costs, mitigate risk, improve visibility and increase efficiencies. This first-of-its-kind managed service provider (MSP) solution deviates from customary offerings by combining the benefits of an MSP program with the expertise of a preferred supplier or vendor-on-premise partner.

“We are passionate about SIGMA’s ability to change the way small and mid-size companies do business. It’s an honor to be recognized on such a prestigious level in the business community and we congratulate our fellow winners,” said Jessi Guenther, executive director of SIGMA at Allegis Global Solutions.

The American Business Awards are the nation’s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small.

“Each year the judges find the quality and variety of the nominations to be greater than the year before. The 2017 competition was intense and every organization that has won should be proud,” said Michael Gallagher, president and founder of the Stevie Awards.

More than 3,600 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration. Additional winners this year include 3M, Toshiba, Cisco, Aflac, Accenture and Bloomberg.

The awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 20. [Tickets are now on sale.](#)
